RE: MM Docket No 92-280

Please accept this letter as comments concerning the above referenced docket number in the matter of the Amendment of Section 73.202(b), Table of Allotments, FM Broadcast Stations.(McAlester, Oklahoma).

Request the Amendment for KTMC-FM be granted to move from present Channel No. 267C1.285A to 267C1.286A be granted. We were unaware that we had to comment on the notice of proposed rule making, and respectfully ask that our comment be included.

We are in favor of the request by Trayne Communications, Inc. Granting of the request would be appreciated in order that KTMC-FM would better serve the residents of the McAlester area without creating a problem for existing broadcast services.

Sincerely,

Thomas H. Payne
President
